## Change a Life

With Jacob's Well

Jacob's Well has been partnering with the ABC school in Bobo Dioulassou, Burkina Faso for some years. This school educates over 350 primary school children and is now building a secondary school as well. This school gives free education, health care and one good meal a day to children who are some of the poorest children in West Africa.

### Sponsor a child - what you get

- \* Personal information about your child & their family
- \* A new photo every year
- \* An annual school report of your child's progress
- \* A hand-drawn Christmas card made specifically for you by your child
- \* The opportunity to write and receive letters and to send gifts to the child.

It only costs £18.25 a month to give a poor child a good education, nutrition and health-care. That's 60p a day! **When you educate a child, you change its life and that of its family. Forever.**
